FTTH Service Businesses Overseas

Expand Indonesia's FTTH services by leveraging our engineering capabilities

SURGE Group (Weave) and NTT East's Capabilities

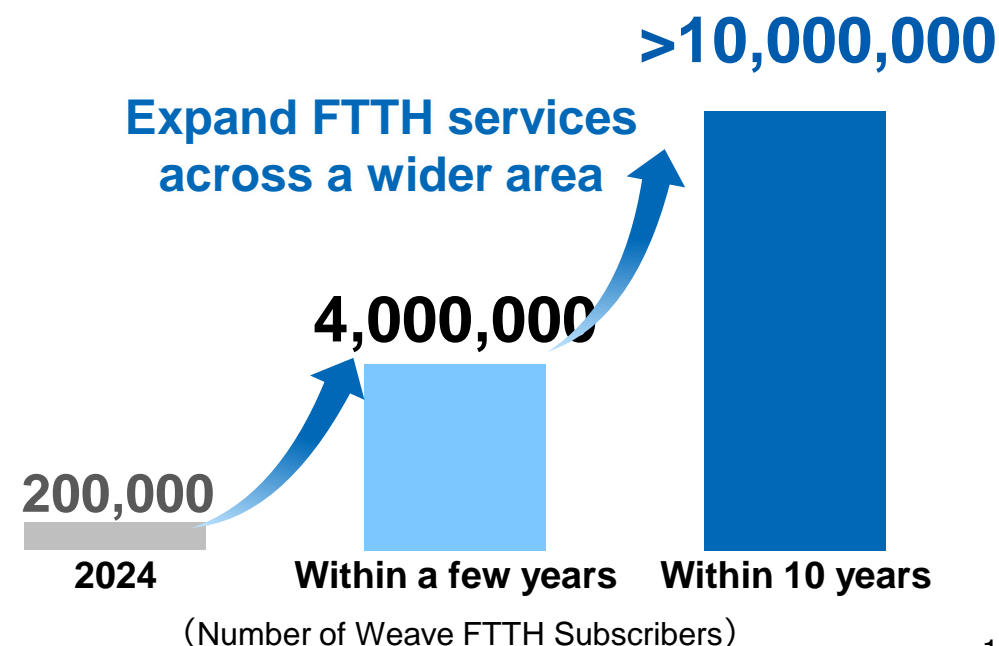

- Owns optical relay network (7,000 km) along rail lines
- Low-cost FTTH service (Approx. ¥1,000/month)

- Engineering capabilities for construction, operation, and maintenance of FTTH facilities
- Operational capabilities for the operation and management of large-scale infrastructure facilities

Future Developments

- ✓ Efficient installation and expansion of FTTH facilities
- ✓ Improved operational efficiency and maintenance quality
