(4) Revised Dividend Forecasts and Related Matters

As a result of the stock split, the per-share dividend forecasts have been revised as described below. There have been no substantive changes to the dividend forecasts.

	Annual Dividends

Previous Forecasts	¥95	¥95	¥190
Current Forecasts ※ [amounts in parentheses indicate amounts not reflecting the stock split]	¥95 [¥95]	¥47.5 [¥95]	- [¥190]

※ The dividend amounts presented for the end of the second quarter reflect actual results. The total annual dividend forecast has not been presented, as the dividend amounts from the end of the second quarter (on a pre-stock split basis) and from year-end (on a post-stock split basis) cannot be directly aggregated.

In connection with the stock split, JPMorgan Chase Bank, N.A., as depositary bank for the company's American Depositary Receipts ("ADRs"), will conduct a corresponding two-for-one ADR split to maintain the current one-to-one ADR-to-stock ratio.
