Financial Results for the Fiscal Year Ended March 31, 2023 and Financial Forecasts for the Fiscal Year Ending March 31, 2024

May 12, 2023
This document is a translation of the Japanese original. The Japanese original is authoritative.

The forward-looking statements and projected figures concerning the future performance of NTT and its subsidiaries and affiliates contained or referred to herein are based on a series of assumptions, projections, estimates, judgments and beliefs of the management of NTT in light of information currently available to it regarding NTT and its subsidiaries and affiliates, the economy and telecommunications industry in Japan and overseas, and other factors. These projections and estimates may be affected by the future business operations of NTT and its subsidiaries and affiliates, the state of the economy in Japan and abroad, possible fluctuations in the securities markets, the pricing of services, the effects of competition, the performance of new products, services and new businesses, changes to laws and regulations affecting the telecommunications industry in Japan and elsewhere, other changes in circumstances that could cause actual results to differ materially from the forecasts contained or referred to herein, as well as other risks included in NTT’s most recent Annual Securities Report and in any other materials publicly disclosed by NTT on its website.

* “E” in this material represents that the figure is a plan or projection for operation.

** “FY” in this material indicates the fiscal year ending March 31 of the succeeding year.

Shareholder Returns, Stock Split and Organizational Changes

May 12, 2023
## Shareholder Returns

- Aggregate annual dividends for FY2023 are expected to be ¥125 per share, an increase of ¥5 from FY2022

  → Dividends are expected to increase for the 13th consecutive year

Note: Amounts are presented without adjustment for the impact of the 25-for-one stock split that will be carried out on July 1, 2023.

## Stock Split (Common Stock)

- Each share of NTT stock will be split into 25 shares (with a record date of June 30, 2023, and effective as of July 1)

  → Significantly reduces the minimum investment price per unit of NTT (¥16,000*), thereby facilitating an environment where it is easier to invest in NTT’s shares

  Expands NTT’s investor base across a wide range of generations who wish to support the sustainable growth of NTT Group

* Calculated based on a pre-stock split share price of ¥4,000.
Establishment of Research and Development Market Strategy Division (scheduled for June 2023)

- We will combine our R&D capabilities with our market planning and analysis and alliance capabilities to strengthen our product-oriented R&D, which will also enable us to conduct R&D and offer products through co-creations on a global scale and to promote alliances with a variety of partners.

Establishment of Public Relations Department (scheduled for June 2023)

- In order to strengthen our global marketing and promotions centered on CX, we will separate our Public Relations Office from the Corporate Strategy Planning Department and reestablish it as a Public Relations Department under the direct control of the President.

Establishment of Legal Office (scheduled for June 2023)

- In order to strengthen our global legal/risk support, we will establish a Legal Office within the General Affairs Department.

Strengthening the Sustainability Office (scheduled for June 2023)

- We will establish the Sustainability Office within the Corporate Strategy Planning Department with the aim of strengthening coordination with business strategy planning and other functions and accelerating our Sustainability Charter initiatives.
