

Corrections of Data Volume
for NTT Group's Medium-Term Management Strategy.

Please note that the following corrections should be made to the Data Volume for NTT Group's Medium-Term Management Strategy that was announced on November 10, 2004. Corrected figures are underlined.

* * *

Figures in the graph of "Equipment investment for fixed communications operations" on page 17 should be corrected as follows:

After correction

Y2002: 8,000 (Unit: 100 million yen)

Y2003: 9,000

Y2004: 9,400

Before correction

Y2002: 8,400 (Unit: 100 million yen)

Y2003: 9,300

Y2004: 9,200

(Note) Please see [the attachment](#) for the page 17 corrected version.
