

# Education Scholarships for Girl Children

Initiative to pave the way for  
**Girl Child Education**

“Education is the most Powerful Weapon  
which you can use to change the world.”

Dr. A.P.J. Abdul Kalam

(Indian Scientist & Former President of India)

# Empowering girl children through the Right to Learn mission

Educate. Mentor. Empower.

## Relentless Commitment

Driving real change by tackling the root causes of barriers to girl child education

## Meaningful Action

Going beyond financial aid, being an enabler, a mentor, and a problem solver to unlock potential

## Transformative Impact

Every girl's journey matters. Every step forward shapes a brighter, confident future

# Empowering girl children through the Right to Learn mission

Unwavering Commitment, Depth, Impact

Started 2017: Adopted girl children of Shree Dayanand Balika Vidyalay  
Understood the issues and addressed challenges one by one

## Initiatives undertaken

Low complexity for school to maintain

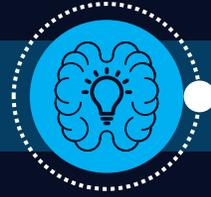

Low operating costs and overheads

## Impact areas

Learning

Health and Nutrition

Employability

Inclusion

Safety

# Lost Classrooms, Lost Futures

Education isn't a choice, it's a lifetime.  
Yet thousands are losing it.

**3.8 Lakh  
Girls out of  
School  
(2022-23)**

Source: Business Standard

## **Financial Hardships**

Families forced to choose  
survival over schooling

## **Limited Guidance**

Lack of mentors and awareness  
keeps girls behind

## **Social Inequality**

Deep-rooted norms still deny  
girls their right to learn

# Thus, NTT DATA India launched Education Scholarships for Girl Children

Education today. Equality tomorrow.

# Driving Impact for Girls' Education
